U.S. DISTRICT COURT
NORTHERN DISTRICT OF OHIO
WEST DIV CINCINNATI

Whereas now, est the 18 USC 1951, (b), per
 United States v. Aljanti (1994, ED NY), which still
 applies in this case(s) per 1995, etc. Old Civil
 Laws, petitioner is covered by. Meaning, new
 offenses are still old. Take, when's the past.
 Guam v. United States

Whereby now, per the 18 USC 924, 2113, and the
 detection, petitioner can only state, nothing others
 still don't cut it, ^{etc.} while, in this case, who are
 those Extorting for, as, none is not right, and
 identity theft is not! United States v. Birdley (Carr, Kass)

Now therefore, extorting, etc, from Petitioner per
 matters of, Kids are supposed to be mine and
 in my custody since 1995, which, I haven't seen
 or spoke to since 1995, as, I don't deal with
 criminals, only in a Habeas Corpus (Pet) petition!
 All Fed & Civil Rt claims, etc, of Conspiracy, of those
 working for a Killer, etc, are established! She v. She
 (2000 95-5037, etc), Parents v. Terry Schiavo (2004), Rt to put a part
 in the past!

Whereas, also, cheated on Ohio Tax ^{payment}.! As what
 is Double Jeopardy any other ways! Ohio use tax, orr!

Whereby now, per the words, no oral argument needed, less, the extra-paperwork, petitioners, adding offenses, etc, to, Habeas Corpus petition! Not leaving out, even if, the Disability Act of 1993 still applies to this day! Went through death, and already injured! *NACCP v Metropolitan Council* (CAB, 1998), and not a Mental, ~~etc~~, cause an action, etc! (Absolute Base). Est, MEAN & HARM of Respondents! 100SES 1515^{etc} est!

Now therefore, also stating, this is not new (exc) as, extends, back to 1995, etc! Same Preclusion along time ago!

Whereas now, also, these assoc. new didn't have to pay support, per offense in 2001, 2002, as had to show Orders to Receive free Kidney Medication!
